PEER EDUCATION IN YOUTH WORK FOR DEMOCRACY

Erasmus + Mobility for Youth Workers

ABOUT THE PROGRAM

- Peer Education in Youth Work for Democracy is a youth workers mobility, part of 2021 Youth on the Move Accredited Project. The aim of this mobility is to bring together 30 youth workers and professionals in the field of non-formal education. We will gather organisations experienced in implementing peer education programs and initiatives in their local communities and also NGO-s that are new in this field. It will be a great opportunity to learn, share and plan new projects together.

OBJECTIVES

To equip 30 youth workers with specific competences in democracy education using peer learning principles

To share and develop innovative good practices in the field on youth work involving European organisations during the mobility

To further develop projects and cooperation ideas among the participating organisations and youth workers
